Spider

Spider is a comprehensive office set with executive desks, conference tables, and occasional tables included. The encounter of multiple materials-metal and wood breaks the monotony of traditional desks and endows your real estate with an extraordinary charm. A journey of vogue is unwinding in front of us.

Features

Single Front Panel Range

The single front panel range gives an added privacy but not totally cut off from the outside world, it balances privacy and communications.

Clamp Netbox

The modular design allows for any service configuration, making it an ideal solution for workstations, meeting and conference tables, collaborative and public spaces.

Wireless Charger

Wireless charging eliminates the need for phone cables, allowing for a cable-free workspace in the future.

Wire Terminal

Connecting all wires into one terminal not only gives it a systematic feel, also makes the workspace clutter-free.

Modesty Range

When your lower body is covered, you have an added sense of security, allowing you to focus on the task at hand.

In-Desk Netbox

Avoid bending down all the time to plug in your wires when you have a in-desk netbox for your electronics.

Wire Casing

The casing hides your wires to conceal the plugs and make it appear more sorted.

Verta

The conference in Verta series is designed with concise appearances which endow the office space with an easy and relaxed atmosphere. We can implement co-working even in a small space. Here, employees are more willingly to have discussions and active learning in such an environment. Modular units implement free combinations for co-working even in small office spaces.

Features

Single Front Panel Range

The single front panel range gives an added privacy but not totally cut off from the outside world, it balances privacy and communications.

Modesty Range

When your lower body is covered, you have an added sense of security, allowing you to focus on the task at hand.

Clamp Netbox

The modular design allows for any service configuration, making it an ideal solution for workstations, meeting and conference tables, collaborative and public spaces.

In-Desk Netbox

Avoid bending down all the time to plug in your wires when you have an in-desk netbox for your electronics.

Wireless Charger

Wireless charging eliminates the need for phone cables, allowing for a cable-free workspace in the future.

Trunking Plate

The Trunking Plate protects and conceals your cables, preventing workplace hazards and providing a more organised appearance.

Wire Terminal

Connecting all wires into one terminal not only gives it a systematic feel, also makes the workspace clutter-free.

Wire Casing

The casing hides your wires to conceal the plugs and make it appear more sorted.

Flex

Flex Series is a reliable health guardian, reminding you to alternate sitting and standing and to cultivate a healthy work habit. Involvement, energy and participation are enhanced when you change your body position frequently.

Single Table

FLEX Single Desk Range

The Single Table provides sufficient space for an individual to keep all of their essentials in one location while also encouraging healthy work habits.

Features

Single Front Panel Range

Lightweight and vibrant to create sufficient separation around the workplace for some much-needed space and self-privacy.

Modesty Range

Protecting your privacy at work is critical for maintaining complete focus on your tasks and, more importantly, for increasing productivity.

Clamp Netbox

Organizing your cables in a single location may help foster a sense of harmony in your workspace, whereas a disorganized one may increase stress or anxiety.

In-Desk Netbox

Avoid bending down all the time to plug in your wires when you have an in-desk netbox for your electronics.

Wireless Charger

Wireless charging eliminates the need for phone cables, allowing for a cable-free workspace in the future.

Trunking Plate

The Trunking Plate protects and conceals your cables, preventing workplace hazards and providing a more organized appearance.

Cable Tray

Concealing your netbox within the table with the cable tray can help you stay organized in the workplace by avoiding wire clutter.

Wire Casing

By organizing and concealing cables from the outside world, the Wire Casing protects your workplace from hazards.

Taz

Understanding the need of budget offices, the highly practical systems furniture provides limitless configurations to accommodate any office space. Taz, it's easier to get things done when you have a desk that works for you.

Lipa

In work, one email, one call and even one meeting can lead to a connection.

The ratio of success depends on the connections you make with the world. More connections bring higher ratio of success.

Lipa, Create More Connections for Success.

Executive Space

Creators, Lead the Future

Never deliberately emphasize the status, always stay gentle and humble.

Always keep clear thinking, and link to a wider world.

Lipa,
Minimalistic Style, Infinite Imagination,
Marvelous Construction, Unworldly Taste.

Within Reach, Handy Use

The multi-function side cabinet has two versions. Reasonable inner space partitioning gives its drawers sufficient storage room.

Innovative handle design perfectly fit the point of finger strength so you can open and close the cabinet at ease.

Flip box, frosted with metal, delicate and elegant. Fitted with multi-outlet panel, it meets the power demand of different systems.

Working Space

Coordinators, Agile Response

Dynamic Space
Better Coordinating Experience
Lipa, A Style of Its Own
Teamwork with flexible interaction
Connecting fun and creative ideas freely.

“Bespoke” , Optimization of Space

Focus on teamwork, I-shaped with cabinets, modular design, proper storage space of office and personal belongings. “1+1” assembly and array extends infinitely in space, a great improvement of space

**Diversified Combination,
Young Generation Style**

L-shaped desk top orderly assembled using the 90°right angle. 2-person team can be formed with a turnaround, making communication more convenient.

A glass screen is fitted in to meet the demand for open and private space at the same time, bringing unprecedented experience to highlight energy and vigor.

**Privacy-friendly
an Coincidence with Modern Aesthetics**

Compared to the double E-shaped workstation, the H-shaped workstation aims at flexible work coordination. The enclosed workstation is good for concentration and independent thinking. Young and fashionable match of colors create a concise and open work environment.

Dare to Change, True to Oneself

120° workstation, a breakthrough of the conventional office mode. The whole workspace can be broken into three-person or six-person collaboration workspace, a big increase of work

Combination of Functions and Intelligence

Shared central cabinet, linking to multi-scenarios of modern office, and realization of proper storage of files and documents with privacy consideration: an independent workstation of your own.

Wireless Connection, Cleaner Office

The in-cabinet cable routing safely hides cables. The meticulous attention to details keeps the whole office environment more compact and clean.

Involve More Communicators

- Balancing work and social life
- Attracting more people
- Lipa
- Shared Space, Personalized Expression
- Willing to Share, Efficient Interaction

Negotiation Space

Temporary Communication

Small negotiation table. The mellow shape is consistent with the style of the whole series, meeting demand of small reception or temporary workout.

Ample Room, Efficient Meeting

Formal meeting system. The minimalistic desk top and outward legs bring bigger legroom. Even a big meeting of 8-12 people won't find it cramped.
